

**FOR IMMEDIATE RELEASE**

**Former President George H.W. Bush Headlines  
GlobalTec's Sixth Annual WizeFEST® Trading Convention  
*WizeFEST2007: The Total Trading Experience***

**(DALLAS—July 31, 2007)** George H.W. Bush, the 41<sup>st</sup> President of the United States, will address thousands of traders from around the world at WizeFEST® 2007, a traders convention scheduled September 5-8 at the Hilton Anatole Hotel in Dallas.

WizeFEST is an annual trading convention hosted by Dallas-based GlobalTec, an industry leader in providing trend recognition software and training for individual investors. Since 2000, GlobalTec has trained more than 100,000 people to trade with confidence using its patent-pending trend recognition software suite, which includes GlobalTec's flagship product, WizeTrade® software for stock traders.

"The opportunity to speak to people who are reaching out and living the American dream is something I truly enjoy," Mr. Bush said. "People who have the desire to take control of their financial future is the very fabric upon which our country is built, and it's extremely gratifying to share any insights that might help them in their endeavors."

Joining Mr. Bush as a keynote speaker at WizeFEST is Neil Cavuto, vice president, anchor and managing editor of FOX News. Cavuto has been named by *The Wall Street Journal* as the best interviewer in business news, and cited by *The Journalist and Financial Reporter* as the toughest inquisitor of financial and political types. For more information on this Speaker, please visit [www.apbspeakers.com](http://www.apbspeakers.com).

"Each year we bring to the WizeFEST stage speakers we believe will inform, inspire and educate traders of all skill levels, and we are indeed honored to welcome our most impressive lineup to

date,” said John Dankovchik, president of GlobalTec. “For many, the chance to hear a living U.S. President in person is a once in a lifetime opportunity. Neil Cavuto is one of the most trusted, authoritative voices in American business today. We’re thrilled that each of these men will share their insights with our WizeFEST audience.”

### **WizeFEST 2007, The Total Trading Experience, includes:**

- A live-in-the-market Trading Pit.
- More than 40 breakout learning classes from which to choose, covering stocks, stock options, (spot) FOREX, futures and commodities, and automated trading.
- Networking and Social Events, including the Friday Night “Old West at WizeFEST” BBQ and the Customer Appreciation Luncheon hosted by the GlobalTec User Group Association.
- Software Demonstrations—stroll down the midway and see all the GlobalTec trend recognition software in action.
- Presentations by renowned trading psychologist and bestselling author Mark Douglas and JJ Childers, an expert in asset preservation and tax strategies

WizeFEST brings together traders from across the United States and Canada—and from as far away as England, Australia and the Far East. Although GlobalTec promotes this event as a chance to express their gratitude to their customers, they welcome current customers and non-customers alike to this exciting event. Register online at [www.wizefest.com](http://www.wizefest.com).
